PARENT QUESTIONNAIRE ~ GRADES 1-5

Parents: Please respond to the following questions about your child, providing details where possible. Feel free to use additional paper if necessary.

STUDENT'S NAME	CURRENT SCHOOL
Describe your child's biggest academic growth this year.	
What has been your child's biggest non-academic growth this year?	
Describe any academic areas that are challenging/difficult for your child.	
How does your child handle these challenges?	
Describe any non-academic difficulties/challenges your child has faced.	

What do you think is your child's favorite thing about school? Least favorite?

In what activities or sports does your child take part outside of the school day?

Describe the homework routine at your house including your child's perceptions about homework.

Why are you interested in a Catholic education (specifically at Saint Philip School)? What are your expectations?

How does our mission statement align to your family's vision for your child's education and your family's values?

Is there anything else you would like us to know about your child or your family?

Thank you for sharing with us!
