

Saint Philip School
Teaching truth, building community, and inspiring service

April 26, 2024

Dear Saint Philip School Parents,

Attached you will find a copy of the Saint Philip School Official Uniform Dress Code for the 2024-2025 school year. Once again, we will be working closely with Flynn O'Hara School Uniforms. We are very pleased with their quality and service and it is the expectation that all students will have all the uniform supplies that they need directly from this supplier.

In general, please be aware that in addition to the regular school uniform, ***all students are also expected to have all components of at least one formal dress uniform*** which is to be worn every day on which there are school Masses, on all field trips unless otherwise noted, and for any other occasions warranted by the administration of the school. All students must also have one complete gym uniform (pants, tee shirt, ***all-black*** sneakers). This year, Little Cardinals and Pre-Kindergarten students will be required to wear a uniform as well. For ease of use, we have decided they will be wearing a gym uniform daily. (**Please note that parents of the Little Cardinals and PreK students should have an extra pair of gym pants/shorts in their child's backpack in case of an accident.)

Included with this letter, please find the flier that shares how to order with our uniform supplier, Flynn O'Hara. Please note that all uniform orders must be made in a timely manner (no later than July 15th) so that all students will have their uniforms by the start of school. Flynn O'Hara offers free shipping year-round for all orders over \$75. All items purchased through Flynn O'Hara may be returned within 180 days of the purchase date if not washed, worn, or altered. There are size charts, sizing tutorials, and the option to schedule a virtual measuring on their website.

Shoes/sneakers, socks, tights, belts and accessories are also available from Flynn O'Hara but may be purchased anywhere provided they meet the guidelines set forth in the Uniform Dress Code. **Please note that student shoes and sneakers must be all black, including the soles. Colored soles are not permissible, and shoes/sneakers should display no colored or white designs, logos, stripes, etc.** Yorker Shoes, Kohl's, and other shoe stores and outlets stock a variety of styles and sizes of all black shoes and sneakers to meet your needs.

*Please note that we have tried to simplify the uniform options for this year. When you log on to your Flynn O'Hara account and choose your child's gender and grade, only those options that are available to your child will come up in that window. **NOTE: All Little Cardinals uniform options will be found under the "PK" section. You will find ordering information here: [Saint Philip School Flynn O'Hara Website](#)

If you have any questions regarding Saint Philip School's Uniform Dress Code, or if you are experiencing a financial hardship during this time and you would like to talk about how we might help with uniforms, please feel free to contact me at any time.

Sincerely,

Keith R. Kline
